

# ESPERANZA

## varsity dance

Thank you so much for your interest in Esperanza varsity dance team. We know that this is not an ideal situation, so we want to make the tryout process as easy as possible. As we don't have a lot of information (ie date of return, summer session etc) We would still like to hold tryouts at this time and can update you as we get information. should you have any questions during this tryout process please feel free to email us at [Esperanzadanceteam@gmail.com](mailto:Esperanzadanceteam@gmail.com) or you can text Jason the director at 949-769-1373.

### Tryout process

1. Please make sure you read through the entire tryout packet as it holds general information for team.
2. New members: please make sure that you register for family ID with the link on our website. Returning members: Please make sure that your family id is updated. Physicals will not be turned in at this time, our school is preparing a date where you can come in and give your physical to administration.
3. Three video tutorials have been given to you on our website. There is an across the floor video, jazz combination video and lyrical combination video. Each one of them are broken down from the front and back so that you can see the choreography clearly. There are two additional videos that you will need to send us, an introduction video and a acro and specialty skills video. For the acro and specialty skills video please note that it needs to be skills that you already have to ensure the safety of all dancers.
4. You will need to fill out a Google form along with uploading your videos. To ensure this is a smooth process please make sure that you have your own Google Drive that you can upload videos too so when you go to upload the videos on our Google form they are uploaded correctly.

We would like to ensure you that these videos will not be public and will only be seen by the director, coaches and adjudicators of the tryout. Once the team is announced all videos of the dancers will be deleted from the Google Drive.

Thank you so much again for your interest in Esperanza varsity dance team and we look forward to seeing your dancers soon!

JASON BITTNER, DIRECTOR
